

# Corpus

**A twisted fairytale with a delightful emphasis on physical and non-verbal theatre.** Two queens from a different time go on an absurd camping trip, far away from court, with only creativity at their disposal to survive in the wild. Their castle is reduced to basic tents, royal dances have to be executed on grass, one needs to fish for lunch and cope with the unpredictable whims of mother nature. A charming and interactive adventure for all ages.

**GRADES: K - 8/SEC II    MAXIMUM: 300 STUDENTS**  
**ONE PERFORMANCE: 50 MINUTES (INCL. Q & A)    \$765 + HST**

**Available:  
March 6 - 10, 2017**

# Camping Royale

**CURRICULUM LINKS** Demonstrate an understanding of how the elements of dance can be used to illustrate or explore learning in other subject areas; Construct personal interpretations of dance pieces that depict stories, issues and themes and explain their interpretations using dance terminology; imitating movement including dynamics, quality of movement and intention, and exploring use of space.
