

## **Testimonials – MASC Young Authors and Illustrators Conference 2017**

MASC was amazing. I will definitely come back next year! All I want to do now is go home and write! Thank you!

I enjoyed MASC so much and was honoured to be part of such a life changing experience. It changed the way I write and learn in a positive manner. Thank you for such an amazing event!

I have attended for the past three years, and I have to say, it is my favorite day of the year, every year. I've learned so much!

Wow! I loved meeting some of my favourite authors! I had so much fun learning new tips and tricks to improve my writing!

Thank you so much!! I look forward to this event every year. All the authors are absolutely amazing, and I am having as much fun (and more) than I hoped. Thanks again!

The experience from this year was just as inspiring as the last. Probably even better. If only it could happen every single day. Thank you very much!

It was an amazing experience. I felt inspired to write more and More and MOre and MORE and MORE! It was fun to meet kids who like to write and to meet real authors. This was a true gift, and if one day I do get published, I will thank the MASC Young Authors and Illustrators Conference.
