BLAH BLAH BLAH, LA LA LA: SHALL WE SING?

Program Overview

Artist Name: Blah Blah Blah Dubbing Workshop

Artist Bio: Founded in 2023 by Cédric Boyer and Laurence Polly, Blah Blah Blah Dubbing Workshop promotes the educational value of dubbing. Combining expertise in film, dubbing, and education, the initiative offers immersive experiences where participants explore the technical and artistic sides of dubbing through hands-on projects and exercises, fostering both creative expression and skill development.

Program Description: A workshop where the voice becomes an instrument, revealing the magic of dubbing and singing in perfect harmony with the image! Through short excerpts from movie themes, cartoons, animated films, and musicals, participants will discover the essential techniques for synchronizing their voice with visuals and soundtracks. They will explore vocal expression, song interpretation, and articulation in both French and English, while developing their sense of rhythm and listening skills. Guided by Cédric, they will embody characters through song and dialogue, learn to harmonize their voices, and play with emotions to create a captivating and immersive performance.

Artistic Discipline: Media Arts, Drama, Literary Arts, Music

MEDIA ARTS OVERVIEW

Media arts offer students a dynamic way to express themselves using digital tools like film, animation, photography, and sound design. They reflect and shape culture, amplify underrepresented voices, and promote equity, diversity, inclusion, and reconciliation. Through, media arts, students develop digital literacy, critical thinking, collaboration, and creative problem-solving. These skills help them become confident, ethical creators and thoughtful consumers of digital content.

The creative and critical analysis processes guide students in developing, refining, and evaluating their work, fostering ownership, innovation, and cultural awareness. These processes align with MASC's core values by promoting accessible, inclusive, and culturally aware learning experiences. Artist-led workshops provide opportunities for students to become confident digital creators and thoughtful media consumers.

Media arts support cross-curricular learning by connecting with subjects like language, history, science, mathematics, and social studies. Artist-led sessions explore themes such as identity, environmental justice, cultural heritage, and digital citizenship, encouraging students to express their learning in relevant and creative ways.
